

Full-Time Optometrist – Multiple Locations around the Middle Tennessee Area

Why Choose Optometric Physicians of Middle Tennessee (OPMT)?

At OPMT, we are committed to delivering exceptional eye and vision care through cutting-edge technology and innovative treatments. With seven thriving locations and plans for continued expansion, we offer a long-term career opportunity for a motivated optometrist seeking professional growth, financial success, and a collaborative team environment.

What You'll Gain as a Full-Time Team Member

- Competitive base salary with quarterly bonus potential
- Paid holidays & personal time off
- Health insurance options
- Continuing education allowance
- Team outings, celebrations, and holiday events
- About Optometric Physicians of Middle Tennessee

We are a multi-location private practice serving Davidson County and surrounding areas. Our services include:

- Comprehensive eye exams for all ages
- Dry eye treatment
- Myopia control
- Low vision rehabilitation
- Vision therapy & neuro-optometry
- Specialty contact lens fittings
- Ocular disease diagnosis & management

We invest in state-of-the-art technology, including automated optical equipment, digital retinal imaging, and online patient communication tools. Our optical boutique provides a personalized experience for patients seeking eyewear tailored to their needs and lifestyle.

Your Role as a Full-Time Associate Optometrist

Join a supportive, privately-owned practice with an established patient base and strong referral network.

Key Responsibilities

- Conduct comprehensive eye exams and manage ocular diseases
- Provide specialty care, including contact lens fittings, myopia control, and dry eye management
- Utilize advanced diagnostic technology and treatment innovations
- Collaborate with experienced optometrists and a highly skilled support team
- Participate in clinical studies and ongoing professional development

Qualifications

Minimum Requirements:

- Doctor of Optometry (OD) degree
- Active Tennessee optometry license
- Open to new graduates

Preferred Qualifications:

- Experience in private or retail optometric practice
- Residency training in a relevant specialty

What Makes You a Great Fit?

- Strong leadership, communication, and interpersonal skills
- A commitment to continuous learning and mentorship
- A willingness to integrate new technologies and treatment approaches

What Sets Our Community Apart?

The Nashville area blends vibrant city life with small-town charm. Here's what makes it a great place to live and work:

- Thriving Arts & Culture – Home to world-renowned music events, art exhibits, and festivals.
- Outdoor Adventures – Enjoy hiking, biking, horseback riding, and kayaking just minutes from downtown.
- Prime Location – Easy access to major Tennessee cities, including Chattanooga, Knoxville, and Memphis.
- High Quality of Life – A dynamic mix of recreation, culinary experiences, and entertainment.
